## RE: KZN Floods process report

Tobius T Poswa Dr

To Lecheko Matthews

Cc Margareth Thulisile Mtshengu (Mrs); Tobius T Poswa Dr

 This message was sent with High importance.

Dear Dr Lecheko

Thank you very much for your dedication and the attitude you displayed in this project. Your expertise is needed and this project is just a start and we need to do more of such. I suggest that the WIL logbooks be handled with Mrs Mtshengu.

NB!!! I copied her in this email for the ease of reference.

Kind regards
